Synergy Accident Repair Group Ltd are pleased to announce the appointment of Tom Hadfield to the post of Business Relationship Manager. Tom brings with him a wealth of industry knowledge and experience from his previous roles with Circle leasing and ABP. Tom will be responsible for creating and developing new relationships and for forging and solidifying group purchasing initiatives.

The Synergy group now have National Coverage through their 80 repairer partners. It is expected that Tom's role will build upon what the board members have already started, by bringing significant savings to the repairer members through group purchasing.
